FreshWay Board archive — C03 · Subcontracted transport

FreshWay buys extra transport under two contracts: a haulier for store replenishment and a van-with-driver supplier for home delivery. Neither contract commits FreshWay to a minimum volume, and neither commits the supplier to unlimited capacity. All rates exclude VAT.

Store replenishment · IJsselland Koeltransport B.V.

Term	Value
Rate per trip	€60 per trip + €2.00 per km + €20 per store stop
Rate per roll cage	€0.50 per roll cage carried, on top of the trip rate
Peak surcharge	none; a diesel surcharge is indexed monthly
Booking	by 14:00 for the next day; Monday trips by Saturday 12:00
Availability	up to 120 trucks a day guaranteed; above that best effort, at the same rate
Fleet	Euro VI diesel tractor units with refrigerated, multi-temperature double-deck trailers of 66 roll cages
Zero-emission zones	no electric units; the contract does not exclude ZE-zone stores and does not say who pays a fine
Liability for the goods	the statutory limit for Dutch domestic road transport, €3.40 per kg; no higher value agreed
Term and notice	runs to 31 Dec 2027; six months' notice either way

Home delivery · Stadskoerier Oost B.V., vans with driver

Term	Value
Rate	€285 per van-day: up to 10 hours, driver included, any number of routes. €330 on Sundays and from 1 to 31 December

Term	Value
Booking	by 14:00 the day before; same day only if a van is free; cancelled within 24 hours is charged in full
Availability	the supplier's regional pool: at most 184 vans on any one day
Vehicle	electric panel van, 130 crates, admitted to zero-emission zones, no cooling unit
Cooling	FreshWay supplies insulated boxes and cold packs. Refrigerated vans can be booked at €95 extra per van-day, 14 days ahead, at most 30 a day
Liability	the supplier answers for vehicle and driver; the goods, including their temperature, travel at FreshWay's risk
Term and notice	rolling contract, three months' notice

Still to be set: whether either contract should guarantee capacity in return for a minimum volume.
